

REPORT ON THE HIGHER EDUCATION COMMISSION'S FOREIGN
FACULTY PROGRAM AT THE ABDUS SALAM SCHOOL OF MATH-
EMATICAL SCIENCES

REPORT PRESENTED TO THE DIRECTOR-GENERAL OF THE ABDUS SALAM
SCHOOL OF MATHEMATICAL SCIENCES

Dr. Amer Iqbal (Convener)

Professor, Abdus Salam School of Mathematical Sciences

Email: amer@alum.mit.edu

Dr. Fiazud Din Zaman

Visiting Professor, Abdus Salam School of Mathematical Sciences

Email: f.zaman@sms.edu.pk

Muhammad Imran Khan

Administrative & Finance Officer, Abdus Salam School of Mathematical Sciences

Email: finance.adminofficer@sms.edu.pk

Abbreviations and other details

- SMS or ASSMS: *School of Mathematical Sciences* later renamed as the *Abdus Salam School of Mathematical Sciences*

Web address: <http://sms.edu.pk>

Address: 68-B, New Muslim Town, Lahore

- GC University: Government College University, Lahore. Also abbreviated as GCU at some places.

Web address: <http://gcu.edu.pk>

- BoG or BOG: Board of Governors of the school.
- Dr. ADR Choudary: Dr. Alla Ditta Raza Choudary (Director-General of the school from 2003 to 2014)
- Ejaz Malik: Administrative & Finance Officer of the school (2003 - 2005) and later Director Administration & Finance (2005-2014)

Source of documents

- SMS office prepared **Report I**
- All other documents were also provided by the SMS office
- One document was obtained from the archived version of <http://hec.gov.pk>

Part A: Section 1 to Section 4 of the Report

“Every love story is a ghost story.”

David Foster Wallace, *The Pale King*

1 BACKGROUND

The HEC Foreign Faculty Hiring Program (FFHP) was launched by HEC in 2003. Under this program it was envisioned that faculty members will be hired from universities abroad to serve in Pakistani universities for teaching, research and supervision of students. The minimum duration of contract under this program was one year. There was another version of the program in which faculty from abroad was hired for shorter duration of up to a semester. The program started in 2003 and ended in 2013. [Section 7](#) contains an offer letter, terms and conditions that HEC sent with the offer letters and a snapshot of the HEC website giving the FFHP overview. SMS got major share of the FFHP with total amount received from HEC for the payment of salaries and airfare to faculty from abroad approximately **Rs. 638 Million**. The SMS office prepared a report (to be called [Report I](#) in this document from now on) which collected at one place the details of the payments made to the foreign faculty hired under the HEC Foreign Faculty Hiring Program from 2003 to June 30, 2013.

According to the [Report I](#), 58 foreign faculty were hired under this program with duration ranging from few months up to almost 8 years in some cases. These faculty were paid monthly salaries which were deposited in their bank accounts opened with the help of the school in a local bank. The record regarding the disbursement of salaries is at SMS and details are given in [Report I](#). HEC deposited the funds related to this program in a separate account that SMS opened (for details see [Section 8](#)).

During the time frame under consideration (2003-2013) the following officials of SMS were directly responsible for the disbursement of funds received from HEC under the FFHP:

Dr. Alla Ditta Raza Choudary (Director-General 2003-2014)

Ejaz Malik (Director Finance & Administration 2003- 2014)

On the HEC side the officials responsible for this program and disbursement of funds to SMS were:

Dr. Atta-Ur-Rehman (Former Chairman of HEC)

Dr. Sohail Naqvi (Former Executive Director of HEC)

Wasim Hashmi Syed (Former Project Director of FFHP)

In March 2019, the Director-General formed a committee (the notification of the committee is given in [Section 9](#)) to verify if the details given in [Report I](#) are indeed correct and if these payments were indeed made to the foreign faculty. The committee members are:

Amer Iqbal

Professor, Abdus Salam School of Mathematical Sciences

Fiazud Din Zaman

Visiting Professor, Abdus Salam School of Mathematical Sciences

Muhammad Imran Khan

Administrative and Finance Officer, Abdus Salam School of Mathematical Sciences

2 DETAILS

The committee studied [Report I](#) and discussed it among themselves. Looking at the period of employment at SMS of some eminent mathematicians among those mentioned in [Report I](#) it was discovered that none of their research papers show their affiliation as SMS, rather their affiliation were some foreign universities. The committee found this rather odd since if someone was employed at SMS for five or six years it is natural to expect that they will show SMS as their affiliation in their research papers.

The committee decided to contact the foreign faculty and find out from them if they were indeed at SMS and received the payments indicated in [Report I](#). The payments to faculty whose duration of appointment was less than a year constituted about 3.6% of the total amount, therefore the committee decided to write to only those whose duration of appointment was more than a year. The committee wrote to 38 faculty members to verify the salary payments. Payments to these 38 faculty members constituted about 91% of the total amount. Of the 20 that committee did not write to, one was on the committee (Amer Iqbal), two had died a while back and the rest had their duration of appointment less than a year or those whose email addresses the committee was not able to find. The following table summarizes the details of those that committee wrote to:

Name	Duration of Appointment	Total Salary	
Martin Baca	Oct 1, 2007 - June 30, 2013	USD 179000	Reply Received
Mark Bashmakov	Dec 15, 2003 - Nov 30, 2009	USD 267000	No Reply
Edy T. Baskoro	March 6, 2006 - Aug 31, 2012	USD 204000	No Reply
Sheng Bau	Oct 4, 2006 - March 31, 2011	USD 149000	No Reply
Mircea Becheanu	March 26, 2005 - June 30, 2013	USD 291000	No Reply
Barbu Berceanu	March 26, 2005 - June 30, 2005 Sep 17, 2005 - June 30, 2005	USD 297000	No Reply
Sergey Borisenok	Sep 8, 2004 - Aug 31, 2007 Nov 1, 2007 - Jan 31, 2010	USD 189000	Reply Received
Constantin Buse	Sep 30 2006 - June 30, 2013	USD 195000	No Reply
Johann Davidov	Feb 3, 2010 - June 30, 2013	USD 108000	Reply Received
Alexandru Dimca	Nov 19, 2004 - Oct 31, 2009	USD 214000	Reply Received
Tzanko Donchev	April 24, 2010 - June 30, 2013	USD 101000	No Reply

Utkir Rozikov	Feb 2, 2007 - April 30, 2008 Oct 2, 2009 - Nov 30, 2009	USD 41200	No Reply
Peter Schenzel	March 7, 2009 - June 30, 2013	USD 142000	Reply Received
Malkhaz Shashiashvili	Sep 29, 2005 - Aug 31, 2012	USD 266000	Reply Received
Alexei Stepanov	Oct 24, 2008 - June 30, 2013	USD 138000	No Reply
Ioan Tomescu	March 22, 2005 - June 30, 2013	USD 321000	Reply Received
Constantin Varsan	Jan 26, 2007 - Jan 24, 2011	USD 142000	No Reply
Viorel Vajaitu	Jan 16, 2006 - Aug 31, 2007 April 1, 2008 - Dec 31, 2009 April 30, 2012 - July 31, 2012	USD 128500	No Reply
Dumitru Vieru	Sep 24, 2011 - May 31, 2012 Feb 1, 2013 - Jne 15, 2013	USD 31000	Reply Received
Todur Zamfirescu	March 7, 2006 - June 30, 2013	USD 271000	No Reply

The committee received replies from only 13 foreign faculty which are given in [Section 5](#). The replies indicate that the foreign faculty were not at SMS most of the time as they were employed elsewhere and just visited SMS for a few months and in some cases only for a few weeks. Four examples are given below.

Example I Professor Martin Baca: The following summarizes the salary details of Prof. Martin Baca as given in [Report I](#)¹:

Duration of Appointment: October 01, 2007 to June 30, 2013 (5 years and 9 months)
Total Salary Given for 5 Years and 9 Months (Including Airfare): Rs. 15,516,000 (equivalent to **USD 179,000**)

Prof. Baca gave a detailed response to the committee (given in [Section 5.2](#)), for which we are grateful, giving the exact dates that he visited SMS: ten times between October 2007 and March 2013 for a total of 316 days. He gave a precise figure of how much he received (salary and airfare): Rs. 2396300 and EUR 9500. Thus in this case alone there is a discrepancy of more than **USD 130000**.

Example II Professor Alexandru Dimca: The following summarizes the salary details of Professor Alexandru Dimca, a well-known mathematician working in algebraic geometry, as given in [Report I](#):

Duration of Appointment: November 19, 2004 to October 31, 2009 (4 years and 11 months)
Total Salary Given for 4 years and 11 months (Including Airfare): Rs. 14,396,989 (equivalent to **USD 214,000**)

Prof. Dimca also gave a detailed response for which we are grateful. He told the committee ([Section 5.4](#)) that he only visited SMS five times for two weeks each between 2004 - 2008 and received around USD 20000 in total other than airfare and local hospitality. If one generously puts the airfare and local hospitality for about USD 20000 then total amount spent on Prof. Dimca was around USD 40000. Thus in this case there is a discrepancy of more than

¹USD-PKR exchange rate between 2003-2013 used in this document are given in [Section 16](#). These are taken from State Bank of Pakistan website. EUR-USD exchange rate was quite stable between 2004-2013 and is taken to be 1 EUR=1.4 USD.

USD174000.

Example III Professor Juergen Herzog: The following summarizes the salary details of Professor Juergen Herzog, a renowned mathematician working in commutative algebra, as given in [Report I](#):

Duration of Appointment: February 10, 2007 to June 30, 2013 (6 years and 4 months)
Total Salary Given for 6 Years and 4 Months (Including Airfare): Rs. 18725283 (equivalent to **USD 225000**)

Prof. Herzog also gave the committee a detailed response for which we are grateful. He told the committee ([Section 5.7](#)) that he used to visit SMS once or twice a year for about three weeks each time. And that he received USD 2000 for each of his visits to cover airfare and other expenses. If one take two visits each during each of the six years and USD 2000 for each of the visits, the total amount comes to $12 \times \text{USD } 2000 = \text{USD } 24000$. Thus in this case there is a discrepancy of more than **USD 200000**.

Example IV The Curious Case of Professor Edy Baskoro: The following summarizes the salary details of Professor Edy Baskoro as given in [Report I](#):

Duration of Appointment: March 06, 2006 to August 31, 2012 (6 years and 6 months)
Total Salary Given for 6 Years and 6 Months (Including Airfare): Rs. 15,985,785 (equivalent to **USD 204,000**)

Prof. Baskoro did not reply to the email sent by the committee. However, he is one of the many curious cases having many contradictions in contract dates, joining dates and invitation dates. The documents given in [Section 6](#) show that he joined SMS on March 6, 2006. But an invitation letter dated April 17, 2006 from Dr. ADR Choudary invites him to visit SMS for 6-8 weeks during June and July.

Example V Professor Gerhard Pfister: The following summarizes the salary details of Professor Gerhard Pfister as given in [Report I](#):

Duration of Appointment: February 11, 2008 to June 30, 2013 (5 years and 4 months)
Total Salary Given for 5 Years and 4 Months (Including Airfare): Rs. 15848179 (equivalent to **USD 180000**)

Prof. Pfister did not reply to any of the emails sent by the committee even though he visited SMS as early as last summer. His case is similar to many cases in which the foreign faculty member who is shown to be hired by SMS under the FFHP was actually employed elsewhere. None of the many papers Prof. Pfister wrote between 2008 and 2013 mention SMS as his affiliation clearly indicating that he was nothing more than a short term visitor. Why Prof. Pfister and others signed joining reports as if they are joining SMS and why they did not respond to emails from the committee remains unclear.

One of the committee members informally discussed the issue with a foreign faculty who was present at SMS in the Spring semester 2019 and is mentioned in **Report I**. The foreign faculty member after looking at the portion of **Report I** related to him said: **“I was a small pawn in a big game . . . I signed where they asked me to sign.”**

From these and other replies it is clear that officials of the SMS (former Director-General Dr. ADR Choudary and the SMS staff) along with, perhaps, the HEC officials knowingly carried out an embezzlement scheme in which foreign faculty were invited for short visits but HEC was told that they have been hired by SMS under the HEC Foreign Faculty Hiring Program. Regular monthly salary flowed from HEC to SMS and from SMS to local bank accounts of foreign faculty who signed documents knowingly or unknowingly helping the Dr. ADR Choudary and the SMS staff run perhaps one of the largest ghost faculty programs in the world costing the Pakistani taxpayers approximately **USD 7 Million**.

The fact that many of foreign faculty chose not to respond or respond in an ambiguous way to very clear issue also gives weight to this theory that at least some of them knew what was being done and allowed it to happen for personal financial gain.

The committee wrote to Dr. ADR Choudary (**Section 10**) and to Ejaz Malik (**Section 11**) to get their comments but received no reply from either of them.

The committee had no powers to get details from the local bank regarding the accounts of

the foreign faculty. The committee also had no powers to get the immigration record of these foreign faculty from the Lahore airport which could have easily solved the issue of duration of physical presence at SMS.

The committee also asked the SMS office to provide them with all the invitation letters written to foreign faculty ([Section 17](#)) and the joining reports of the foreign faculty ([Section 18](#)). The invitation letters and letters to embassies written for visa purpose clearly showed that most of the foreign faculty were not present at SMS more than a few weeks a year and in some cases few months a year. Based on these letters, correspondence with some of the foreign faculty and affiliations mentioned on the research papers the committee has reached the following conclusions.

3 CONCLUSIONS

1. Approximately Rs. 638 Million (approximately **USD 7 Million**) were given to SMS by the Higher Education Commission for the HEC Foreign Faculty Hiring Program. In most cases these faculty members spent few weeks to few months in Pakistan. This fact was not reported to HEC and letters were being exchanged with HEC demanding the monthly salaries of foreign faculty without mentioning that most of them are not present in Pakistan.
2. Most of the faculty hired by SMS under the FFHP were nothing more than short term visitors who spent, at most, few weeks to few months at SMS. HEC and the Government College University (Lahore) were told that these are not short term visiting faculty but are regular faculty members. This is documented in letters to HEC and the the Government College University (Lahore) given in [Section 12](#).
3. It is also clear that in many cases there was no direct communication between the HEC and the foreign faculty member. The (sample) document given in [Section 13](#) shows that the email address of the faculty member on the application form for the FFHP was that of Dr. ADR Choudary. This raises the possibility that perhaps the foreign faculty members were not even aware of the offer details and other terms and conditions. It is unclear as to why HEC was not communicating with the foreign faculty member directly.

4. Correspondence with foreign faculty shows that, in many cases, they did not receive the salary which is reported in [Report I](#). This raises the issue that since the salaries were being deposited in a local bank how were they being withdrawn if the foreign faculty was not present in Pakistan. If the checks withdrawing the money were made out to the account holder and were cashed when the account holder (foreign faculty member) was not present in Pakistan then clearly the bank officials were also involved in this fraud. If the checks were made out to some one other than the account holder then clearly that person is involved in this fraud. Some faculty members in their replies have mentioned signing blank papers. If these also include checkbooks then clearly they knew what they were involved in.

5. Given the fact that **Rs. 638 Million** were received from HEC and the fact that foreign faculty were not even in Pakistan for substantial part of the time for which money from HEC was received indicates SMS was running a huge ghost faculty program. This could not have happened without the consent of the then Director-General Dr. ADR Choudary and Director Finance & Administration Ejaz Malik. Also the SMS staff preparing all the financial documents for salary disbursement must also have been involved as well.

6. If one assumes the entire time mentioned in the invitation letters ([Section 17](#)) as the time the faculty member spent in Pakistan, the total amount comes to Rs. 65 Million. Even if we double it to cater for possible missing invitation letters, it is estimated, based on invitation letters (provided by SMS staff) and correspondence with foreign faculty, that there is a discrepancy of approximately **Rs. 500 Million**. This is just an estimate and more precise figure can be obtained if immigration record can be obtained.

7. FFHP ran for 126 months which means that SMS received, on average, approximately Rs. 5 Million per month for 126 months. SMS officials could not have run this huge long term embezzlement scam for so many years without the help and connivance of the officials of the Government College University (Lahore) and the officials of the Higher Education Commission. This also shows utter incompetence of Government College University (Lahore) and HEC officials who spent hundreds of millions of rupees of taxpayer money on a ghost faculty program.

8. The committee also found documents which showed that Dr. Atta-Ur-Rehman (Chairman HEC at that time) gave Rs.1 Million to each of the foreign faculty as startup fund ([Section](#)

14). In some cases foreign faculty who visited SMS for a total of two weeks also got these funds (e.g., Prof. C. G. Gibson). It is unclear how and on what these funds were used.

4 RECOMMENDATIONS

1. It is clear that substantial portion of HEC's **Rs. 638 Million** has been spent on a ghost faculty program therefore this report along with **Report I** should be shared with the HEC and other stakeholders including Government of Punjab and the Governor of Punjab who is the Chancellor of the SMS.

2. Duration of physical presence can be best determined using immigration record and can only be done by a agency of the government. Also the possibility that substantial amount of money was withdrawn from bank accounts of foreign faculty when they were not even present indicates that perhaps bank officials were also involved in this embezzlement along with SMS officials. Therefore this case should be referred to a government agency such as the National Accountability Bureau (NAB).

3. Current and former SMS employees involved in preparation of the financial documents related to salary of foreign faculty between 2003 and June 30, 2013 should be asked to explain their conduct. The list of SMS employees involved with FFHP is given in **Section 15**. This list has been provided by the SMS staff and contains the name of no current SMS staff. The committee has neither the energy nor the will or time to determine the accuracy of this information.

Part B: Section 5 to Section 18 of the Report

5 CORRESPONDENCE WITH FOREIGN FACULTY

5.1 PROFESSOR SERGEY BORISENOK

Finance . Admin Officer <finance.adminofficer@sms.edu.pk>

Verification of Salary Payment (Abdus Salam School of Mathematical Sciences)

Finance . Admin Officer <finance.adminofficer@sms.edu.pk>

Wed, May 8, 2019 at 9:21 PM

To: sergey.borisenok@agu.edu.tr

Cc: amer@alum.mit.edu, Fiazuddin Zaman <zamanfiaz@gmail.com>, "Prof.Dr. G. Murtaza" <dg@sms.edu.pk>

Dear Professor Sergey Borisenok,

I am writing to you on behalf of the Abdus Salam School of Mathematical Sciences, Government College University, Lahore, Pakistan. As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program. Our record indicates that you were one of the faculty members hired full time by the school through this program. I am writing to verify the record that the school has regarding your appointment.

Our record, the summary of which is attached, indicates the following regarding your appointment and service at the school:

Duration of Appointment: From September 08, 2004 to August 31, 2007 (2 years and 11 months)

From November 01, 2007 to January 31, 2010 (2 years and 3 months)

Total Salary Given for 5 Years and 2 Months (Including Airfare): Rs. 12,897,300 (approximately Thirteen Million Rupees equivalent to USD 189,000)

We have to get the record verified since publication record of various faculty members hired under this program shows their affiliation to be universities/institutions other than the school during the time they were appointed at the school and were being paid a regular salary.

We will appreciate your help in completing the school record.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Regards,

Muhammad Imran Khan

Administrative and Finance Officer

 **Salary Payment Detail (Sergey Borisenok).pdf**
2859K

Dr. Sergey Borisenok

Designation: AssociateProfessor

Country: Russia

Date of Appointment: 08.09.2004

Period for which salary was paid: 08.09.2004 to 31.08.2007 (2 years, 11 months, 24 days)
01.11.2007 to 31.01.2010 (2 years, 3 months)

Source of Salary: HEC Foreign Faculty Hiring Program.

Details of salary paid are given below:

Period	Salary Per Month	Total Amount
September 08, 2004 to December 31, 2004 (Including airfare)	181,000.00	728,690.00
January 01, 2005 to December 31, 2005	181,000.00	2,172,000.00
January 01, 2006 to December 31, 2006 (Including Airfare)(Including arrears)	191,375.00	2,409,061.00
January 01, 2007 to August 30, 2007	201,750.00	1,614,000.00
November 01, 2007 to December 31, 2007	210,250.00	420,500.00
January 01, 2008 to December 31, 2008	210,250.00	2,523,000.00
January 01, 2009 to January 31, 2009	210,250.00	210,250.00
February 01, 2009 to December 31, 2009 (Including arrears)	224,750.00	2,595,984.00
January 01, 2010 to January 31, 2010	223,815.00	223,815.00
Gross Total		12,897,300.00

To: Sergey Borisenok <sergey.borisenok@agu.edu.tr>

Dear Professor Sergey Borisenok,

We just want to confirm the dates/duration of your visit/stay at the school. And whether you received the amount mentioned in the attached file as salary during that time. The reason we have to ask is due to the fact that the publication record of some faculty hired under the HEC Foreign Faculty Program shows that they were employed elsewhere while being paid a regular salary by the school.

Regards,

Muhammad Imran Khan

Administrative and Finance Officer
Abdus Salam School of Mathematical Sciences

To: martin.baca@tuke.sk

Cc: amer@alum.mit.edu, Fiazuddin Zaman <zamanfiaz@gmail.com>, "Prof.Dr. G. Murtaza" <dg@sms.edu.pk>

Dear Professor Martin Baca,

I am writing to you on behalf of the Abdus Salam School of Mathematical Sciences, Government College University, Lahore, Pakistan. As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program. Our record indicates that you were one of the faculty members hired full time by the school through this program. I am writing to verify the record that the school has regarding your appointment.

Our record, the summary of which is attached, indicates the following regarding your appointment and service at the school:

Duration of Appointment: From October 01, 2007 to June 30, 2013 (5 years and 9 months)

Total Salary Given for 5 Years and 9 Months (Including Airfare): Rs. 15,516,000 (approximately Fifteen and a Half Million Rupees equivalent to USD 179,000)

We have to get the record verified since publication record of various faculty members hired under this program shows their affiliation to be universities/institutions other than the school during the time they were appointed at the school and were being paid a regular salary.

We will appreciate your help in completing the school record.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Regards,

Muhammad Imran Khan

 **Actual Salary and Airfare Martin Baca.pdf**
1802K

To Professor Dr. G. Murtaza
Director General
Abdus Salam School of Mathematical Sciences
GC University Lahore

Dear Professor Dr. Murtaza,

I respond to your information about my salary during the period from 01.10.2007 to 30.06.2013.

It is not true that I received monthly regular salary from 01.10.2007 to 30.06.2013.

During this period from 01.10.2007 to 30.06.2013 I visited Abdus Salam School of Mathematical Sciences, GC University Lahore, Pakistan **10 times**. At the end of my each stay at the AS SMS I received the salary depending on the number of days of my stay + Airfare from Kosice, Slovakia to Lahore + VISA fee (if it was payed) . The Airfare + Visa fee was approximately 900-1000 EUR depending on the airline.

I never received an official document about my salary, therefore approximately I state my salary by the following formula

Salary per month from your table/30 times number of days

Details of approximately salary paid are given below:

Dates of my stay at AS SMS GC University	Numbers of days	Approximately salary + Airfare + Visa fee	Approximately Total Amount
01.10.2007–19.10.2007	19	133,160.00 Rs. + Airfare + Visa fee	133,160.00 Rs.+ 1000 EUR
30.03.2008-08.05.2008	40	280,340,00 Rs. + Airfare	280,340.00 Rs. + 900 EUR
26.07.2008-04.09.2008	41	287,350.00 Rs. + Airfare	287,350.00 Rs. + 900 EUR
28.02.2009-27.03.2009	28	209,770.00 Rs. + Airfare + Visa fee	209,770.00 Rs. + 1000 EUR
06.05.2010-22.05.2010	17	127,360.00 Rs. + Airfare + Visa fee	127,360.00 Rs. + 1000 EUR
05.02.2011-12.03.2011	35	262,210.00 Rs. + Airfare + Visa fee	262,210.00 Rs. + 1000 EUR
14.09.2011-21.10.2011	38	303,050.00 Rs. + Airfare	303,050.00 Rs. + 900 EUR
25.04.2012-01.06.2012	38	303,050.00 Rs. + Airfare + Visa fee	303,050.00 Rs. + 1000 EUR
12.11.2012-07.12.2012	26	212,340.00 Rs. + Airfare	212,340.00 Rs. + 900 EUR
21.02.2013-26.03.2013	34	277,670.00 Rs. + Airfare	277,670.00 Rs. + 900 EUR
		Gross Total	2,396,300.00 Rs.+9500 EUR

Wed, Jun 12, 2019 at 2:45 PM

Dear Dr. Iqbal,

Thank you for your e-mail. I have also received an e-mail from Dr. Anwar about the problem. Here is my response to his letter.

In my opinion, an answer to the question we are discussing should be based on official documents. We are mathematicians and we are relying on proofs. In our case these are documents. The amount of money in question seems quite big and it is highly likely that I have not got all of it. But I cannot prove or disprove this since, as I have said, I do not have any relevant document. So, how I could give an official response in this situation?

I cannot add much to what I have already said. Of course, I have been working in SMS only for a couple of months every academic year, not during a whole year. I cannot say how long I have been visiting SMS year by year since, as I have said in my preceding e-mail, I do not have information in my archive. As research publications are concerned, I have several articles in which SMS is indicated as my affiliation together with my basic institute.

Let me say again that I understand the situation very well but I cannot provide an official information because of the lack of relevant documents.

With best regards,
Johann

Wed, Jun 12, 2019 at 12:24 AM

Dear Prof. Davidov,

I hope all is well with you.

I am writing to you in regard to your response to the email sent by Muhammad Imran Khan (Administrative & Finance Officer). The Higher Education Commission started the Foreign Faculty Program in 2003. The purpose of the program was to hire faculty from abroad to serve in Pakistani universities. The School of Mathematical Sciences was the institution that benefited the most from this program with the largest number of foreign faculty serving at SMS. The Higher Education Commission provided SMS about Rs. 660 Million for this program (approximately \$7 Million).

It has been pointed out to the school and the university that many of the foreign faculty hired to serve at SMS were not present at SMS while their salaries were being regularly demanded from HEC and disbursed to their bank accounts. This is evident from research publications in which many of the foreign faculty show their affiliation to be institutions other than SMS. The natural question arises as to why SMS is giving regular monthly salaries for years (7 years in some other cases) when the individual is at SMS not more than a few weeks in a year (if at all).

You must agree that no institution in the world would agree to pay regular salary to a faculty member who is present only few weeks in a year, are employed and paid by another university and at the same time don't even mention their affiliation with the institution in their research publications. This is a matter of public funds and therefore the school needs clarity as to the use of these funds.

Many eminent foreign faculty that we wrote to stated clearly that they were not at SMS more than a few weeks in a year and that they never received the regular salary which is mentioned in the SMS record. The natural question that arises is that if the foreign faculty did not receive it then where did that money go.

It is very important that we get a clear picture of whether you received a total salary of Rs. 9932639 (approximately Ten Million Rupees equivalent to USD 108000). I am attaching invitation letters from SMS during the period 2010-2013 which might be of help.

The school is very grateful for your efforts to promote mathematics in Pakistan.

Regards,

Amer.

Verification of Salary Payment (Abdus Salam School of Mathematical Sciences)

dimca <Alexandru.Dimca@unice.fr>

Mon, Jun 10, 2019 at 11:32 AM

To: "Finance . Admin Officer" <finance.adminofficer@sms.edu.pk>

Cc: Alexandru.DIMCA@univ-cotedazur.fr, amer@alum.mit.edu

Dear Muhammad Imran Khan,

Returning home from my trips, I have found only mathematical traces of my activity at SMS, GC University, namely the files of the PhD theses which I have supervised.
So the facts below are stated from my memory, as far as I can remember this period more than 10 years ago.

I started to visit SMS in 2004 at the invitation of the Director, Dr A.D.R. Choudary, in order to help the new graduate school by supervising a number of PhD students. It was clear from the beginning, and agreed by all parties, that my periods of stay in Lahore would be very limited, due to my employment as a University Professor in France and to my family life.

All in all, I think I have visited SMS about 5 times, each time for about 2 weeks, so once a year in the period 2004-2008. I do not remember any visit in 2009 or later.

As part of my activity in SMS, I have supervised 6 PhD students, namely

1. Imran Ahmed (PhD completed in 2007)
2. Shaheen Nazir (PhD completed in 2007)
3. Zahid Raza (PhD completed in 2007)
4. Hani Shaker (PhD completed in 2007)
5. Khurram Shabbir (PhD completed in 2007)
6. Shahid Ahmad (PhD completed in 2008).

For each visit I have received from SMS an honorarium of about US\$4,000. This covered the work done during the visits, but also all the work of supervision done via email with each of the 6 students on a regular basis, during the 4-5 years of their degrees. Indeed, all the above students needed a lot of individual help and attention from my part in preparing their PhD thesis and the associated research papers. So, all in all, I have received about US\$20,000 from SMS, far away from the sums in your records.

In addition, the travel expenses as well as the local expenses (hotel and meals) for all my visits to Lahore were covered by SMS directly, so I cannot estimate these costs.

Best regards,

Alexandru Dimca

Dear Professor Dumitru Vieru,

I am writing to you on behalf of the Abdus Salam School of Mathematical Sciences, Government College University, Lahore, Pakistan. As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program. Our record indicates that you were one of the faculty members hired full time by the school through this program. I am writing to verify the record that the school has regarding your appointment.

Our record, the summary of which is attached, indicates the following regarding your appointment and service at the school:

Duration of Appointment: From September 24, 2011 to May 31, 2012 (8 months)

From February 01, 2013 to June 15, 2013 (4 1/2 months)

Total Salary Given for 1 Year and 1/2 Months (Including Airfare): Rs. 2985000 (approximately Three Million Rupees equivalent to USD 31000)

We have to get the record verified since publication record of various faculty members hired under this program shows their affiliation to be universities/institutions other than the school during the time they were appointed at the school and were being paid a regular salary.

We will appreciate your help in completing the school record.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Dear Muhammad Imran Khan,
Administrative and Finance Officer, ASSMS-Lahore.

During all periods of my visits in ASSMS, I was hired in the Technical University "Gheorghe Asachi" of Iasi, Romania.
According with the rules from my university, for teaching/ research activities in universities from foreign countries, it was necessarily to get approval from the rector of the university.

The periods written by you for my visits in ASSMS (24.09.2011-31.05.2012 and 1.02.2013-15.06.2013) are not correct.

I visited ASSMS (with the approval from my university) in the following periods:
a). 26.09.2011-30.11.2011; 20.02.2012-17.04.2012 (4 months, not 8 months).
b). 1.02.2013-29.03.2013 (2 months, not 4.5 months).

As consequence, the amount received by me was much less than the sum written by you.

The periods of my visits in ASSMS, can be easily verified into the Embassy of Pakistan from Bucharest, which approved the visas for me.

Best regards,
Dr. Dumitru Vieru
Department of Theoretical Mechanics
Technical University "Gheorghe Asachi" of Iasi, Romania.

Cc: amer@alum.mit.edu, Fiazuddin Zaman <zamanfiaz@gmail.com>, "Prof.Dr. G. Murtaza" <dg@sms.edu.pk>

Dear Professor Constantin Fetecau,

I am writing to you on behalf of the Abdus Salam School of Mathematical Sciences, Government College University, Lahore, Pakistan. As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program. Our record indicates that you were one of the faculty members hired full time by the school through this program. I am writing to verify the record that the school has regarding your appointment.

Our record, the summary of which is attached, indicates the following regarding your appointment and service at the school:

Duration of Appointment: From January 09, 2007 to June 30, 2013 (6 years and 5 months)

Total Salary Given for 6 Years and 5 Months (Including Airfare): Rs. 18955017 (approximately Nineteen Million Rupees equivalent to USD 230,000)

We have to get the record verified since publication record of various faculty members hired under this program shows their affiliation to be universities/institutions other than the school during the time they were appointed at the school and were being paid a regular salary.

We will appreciate your help in completing the school record.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Regards,

Muhammad Imran Khan

Administrative and Finance Officer

To: "Finance . Admin Officer" <finance.adminofficer@sms.edu.pk>

Dear Muhammad Imran Khan, Administrative and Finance Officer,

First of all, excuse me please for this late response. I was out for two weeks (for treatment) and just came home. I carefully read the whole your message regarding my work there during January 2007 and June 2013 and the obtained salary, and can say you the following:

1) During the above-mentioned period, I worked there **between 4(four) and 4(four) months and a half on each year**. I was there only in Autumn (October, November and a short part from December) and in Spring (February, March and sometimes a short part of April). This can be easily verified by the air tickets or the visas on my passport.

2) The salary of Rs. 18955017 (about USD 230.000) is **seriously overestimated. I received money only for the period of my work there, as I mentioned at the first point**. A part of our school money has been used for our accommodation and different conferences. Air Tickets have been settled each time.

3) During my work there, my PhD students published more than 100 papers in prestigious international journals. In the most part of these papers, my affiliation was both to my University and Abdus Salam School of Mathematical Sciences. On the other hand, from my country, I also cooperated with my PhD students by messages without money.

Best regards, Constantin Fetecau

Finance . Admin Officer <finance.adminofficer@sms.edu.pk>

Verification of Salary Payment (Abdus Salam School of Mathematical Sciences)

Juergen Herzog <juergen.herzog@gmail.com>

Thu, Apr 18, 2019 at 3:16 PM

To: "Finance . Admin Officer" <finance.adminofficer@sms.edu.pk>

Dear Sir,

I do not know how you got this information, but for sure there must be something wrong in those calculations. I never received any regular salary, though I was formally a faculty member of SMS. In the period of time that you mentioned I came to SMS at most once or twice a year, each time for about three weeks, to help the students working on the PhD thesis. As far as I remember, for each of my visits I received about 2000 Euro to cover my flight expenses and the expense allowance. I do not remember exactly how many times I was at SMS totally, but for sure the total amount that I received is very far (may be one-tens) from what you indicate in your email.

At the end of each stay I was asked to provide some signatures to confirm that I gave several lectures/courses either for all the students of SMS or in the conferences where I was invited and mainly to advise my PhD students. I was told that the signatures served to document my activities and I have never got a copy of the signed papers.

On the other hand, I was never asked to mention the affiliation to SMS in my publications since it was not the case. Everywhere in Europe, the qualification as PhD adviser is an individual one. I can advise PhD students wherever I like. This does not mean that I should have the same affiliation as my PhD students.

Finally let me mention that I am retired since 2007 at the age of 67. Now this year I will be 77.

Yours sincerely,
Jürgen Herzog

As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program. Our record indicates that you were one of the faculty members hired full time by the school through this program. I am writing to verify the record that the school has regarding your appointment.

Our record, the summary of which is attached, indicates the following regarding your appointment and service at the school:

Duration of Appointment: From September 28, 2007 to November 30, 2011 (4 years and 2 months)

From March 02, 2012 to August 31, 2012 (5 months)

Total Salary Given for 4 Years and 7 Months (Including Airfare): Rs. 13,470,688 (approximately Thirteen and a Half Million Rupees equivalent to USD 160,000)

We have to get the record verified since publication record of various faculty members hired under this program shows their affiliation to be universities/institutions other than the school during the time they were appointed at the school and were being paid a regular salary.

We will appreciate your help in completing the school record.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Verification of Salary Payment (Abdus Salam School of Mathematical Sciences)

Dorin Popescu <dorin.m.popescu@gmail.com>

Fri, Apr 26, 2019 at 6:09 PM

To: "Finance . Admin Officer" <finance.adminofficer@sms.edu.pk>

Dear Sir,

I am old now and I remember not so much from the time spent many years ago in Lahore. Anyway, I got sure less than 2500 Euro in a month there (after taxes were taken), but they also paid for me

- 1) the rent of the flat (they claimed to pay the rent for whole year even I was not all the time there),
- 2) all meals,
- 3) the plane tickets (few times also for my wife who company me)
- 4) my participation with my wife to the international school from Shogran,
- 5) few ruppies to be able to buy some fruits and some presents for the family at the end of my stay,
- 6) some restaurant parties in your national and religious days.

I should say also that

- a) once the climate in Lahore becomes dangereous because some terrorist attacks and they sent us back to our countries paying plane tickets and the salaries.
- b) sometimes there were some religious holidays and we were paid even we did not really worked.

I never care about the amount of ruppies I signed because really I did not know their values.

I should point that the leading people from Lahore tried their best to arrange a warm climate for us in spite of some terrorist attacks, which were present even in Lahore. I quited my work in Lahore mainly because of these dangereous situations even I liked the time spent there.

Sincerely yours

Dorin Popescu

Dear Professor Popescu,

Thank you for your email. We will make your email part of the record.

There is a bit of clarity needed on some issues. It seems that none of your papers (even the ones with SMS students) state SMS as your affiliation during the time you were employed by SMS. All of the papers state Simion Stoilow Institute of Mathematics as your affiliation. For a visitor of a few months, this would not be unusual but for someone who was employed by SMS for more than 7 years, and paid a monthly salary during that time, this seems very unusual.

Also, it would greatly help clarify the matter if you can let us know approximately how much time did you spent in Lahore at SMS during these 7 years.

Dear Professor Malkhaz Shashiashvili,

I am writing to you on behalf of the Abdus Salam School of Mathematical Sciences, Government College University, Lahore, Pakistan. As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program. Our record indicates that you were one of the faculty members hired full time by the school through this program. I am writing to verify the record that the school has regarding your appointment.

Our record, the summary of which is attached, indicates the following regarding your appointment and service at the school:

Duration of Appointment: From September 29, 2005 to August 31, 2012 (6 years and 11 months)

Total Salary Given for 6 Years and 11 Months (Including Airfare): Rs. 20305331 (approximately Twenty Million Rupees equivalent to USD 266000)

We have to get the record verified since publication record of various faculty members hired under this program shows their affiliation to be universities/institutions other than the school during the time they were appointed at the school and were being paid a regular salary.

We will appreciate your help in completing the school record.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Dear Professor Muhammad Imran Khan,

sorry for the large delay in answering your request.

It is difficult to me to prepare a correct answer to your request because of the following reasons:

- My expenses are paid by cash in Euro. The exchange rates to Dollar are conditional depending upon dates.
- I signed several blanks shown to me by authorities of SMS in Lahore for clarifying my expenses not completely clear to me.
- During my visits I did not got a precise contract for local expenses, teaching etc.

During several visits I taught several courses on the field of

- Commutative Algebra
- Algebraic Geometry
- Homological Algebra

During my visits and by e-mail contacts I supervised successfully five PhD students

- Mariam Imtiaz
- Mahmood Waqas
- Sohail Zafar
- Zohaib Zahid
- Muhammad Khadam Azeem

It seems to me that all the states of your e-mail are correct.

Please understand my difficulty in answering your request more precise.

In case of further requests please contact me.

Best regards, Peter Schenzel.

Dear Professor Schenzel,

Thank you for your reply.

The total amount if converted to Euros (taking into account the variations in the exchange rate during 2009-2013) is approximately Euros 110000. Perhaps that will be more helpful in answering the question if you received this amount.

Our record shows continuous full-time employment at SMS from March 7, 2009 to June 30, 2013 (4 years and 3 months) and monthly disbursement of salary. We will appreciate it if you can let us know approximately the duration of your visits to Pakistan.

To: "Finance . Admin Officer" <finance.adminofficer@sms.edu.pk>

Dear Professor Muhammad Imran Khan,

In the period of my hiring at ASSMS I stayed about 6 months each year in Lahore giving courses and scientific seminars but I supervised my Ph D students from Bucharest by e-mail all the time. I have published with them as co-authors 37 scientific papers in reputed ISI journals in that period.

I do not remember exactly the amount of money payed directly to me by the School in that period but the amounts contained in your record are seriously overestimated.

Foreign Faculty Hiring Program

No: FF-B13-B04

Dated: March 15, 2006

Original Contract for Appointment as a Foreign Professor

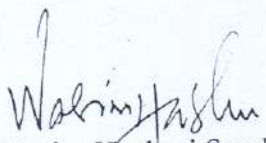

This is an agreement between Higher Education Commission (HEC), School of Mathematical Sciences GC University, Lahore and Dr. Edy Tri Baskoro, selected as a Foreign Professor under the Foreign Faculty Hiring Program.

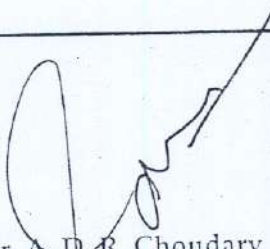

The terms and conditions are as follows:

1. Monthly salary package will be Rs. 181,000/- (All allowances included).

Basic Salary	House Rent	Utility Allowance	Total Pak. Rs.	Monthly Income Tax
120,000/-	55,000/-	6,000/-	181,000/-	7,481/- (approximately)

2. This offer is initially for two years and is extendable for multiple of years subject to the satisfactory performance as per mutually agreed terms & conditions between HEC, the host institution and the Foreign Professor.
3. You are entitled for one round trip air-ticket of PIA (up to Rs.100,000/-) for the economy class with the shortest route. If PIA does not operate on your present route then other airline may be used. The ticket will be purchased by you and will be reimbursed after joining the host institution on submission of original ticket.
4. If Foreign Professor is not satisfied with environment and research facilities of Host Institution, Foreign Professor could request to HEC for transfer to another R&D Institution provided that position is available at the Institution.
5. In case of non-compliance of expected duties and desired performance level, the contract will be liable to be cancelled on one month's notice based on progress report submitted by Host Institution.
6. Your host institution is *School of Mathematical Sciences GC University, Lahore*. Contact person at the host institution is Director General, *Dr. Allah Ditta Raza Choudary*. All logistical matters would be taken care of by contact person.
7. The research proposals, movement schedule and other related matters will be approved by the host Institution i.e. *School of Mathematical Sciences GC University, Lahore*.
8. 6 monthly progress reports will be submitted by the Foreign Professor to the Institute and a copy of manuscript based on his research when completed.
9. Joining Date: 6th March, 2006

Dear Professor Dr. Edy Tri Baskoro,

It is with great pleasure that I invite you to the School of Mathematical Sciences (SMS), GC University, Lahore to deliver a series of lectures for our Ph.D students. Also I invite you to continue your research on several problems in the field of Graph Theory, with the Ph.D students and the local professors. It will be much convenient for us if you can visit School of Mathematical Sciences for a period of 6-8 weeks during the months of June and July. The School of Mathematical Sciences will pay for your airfare, boarding and lodging. I hope you will accept this invitation and I am looking forward to see you soon at the SMS, Lahore, Pakistan.

7 FFHP PROGRAM OVERVIEW, OFFER LETTER & TERMS AND CONDITIONS

HIGHER EDUCATION COMMISSION

[Program Overview](#)

[Advertisements and Notices](#)

[How to Apply](#)

[Needs of Pakistani Institutions](#)

Foreign Faculty Hiring Program of Higher Education Commission

Program Overview and Goals

Overview

The Government of Pakistan, under its national Higher Education Policy, has initiated a unique program to recruit highly qualified faculty from abroad for rendering services in graduate research programs in different public sector universities/institutions in Pakistan. Applicants are invited for positions of Foreign Professor-I, Foreign Professor-II and Foreign Professor-III in all fields, and particularly in academic disciplines related to science, technology and engineering. The duration of the contract will be at least 1-year, and may be extended.

Goal

The goal of this program is to hire 300 foreign faculty members each year for the next 5 years to fill the vast gap of qualified research academics and Ph.D. supervisors in the higher education sector in Pakistan. Foreign faculty members, who will bring tremendous wealth of knowledge and research experience, will be expected to impart a modern and progressive outlook to research-based academic programmes in Pakistani universities, and would set norms of international academic standards to be emulated by their local colleagues. Furthermore, the project will generate linkages between local and foreign institutions, encouraging long-term sustainable scientific collaborations. Foreign faculty members will be expected to supervise world-class graduate level research and deliver cutting-edge graduate level courses in their academic disciplines. HEC will ensure the provision of funds for supporting graduate students and associated research expenses. In the long-term, the goal is to uplift the graduate programs in Pakistani universities and bring them up to international standards.

Eligibility Criteria

Category	Qualifications	Minimum Post Ph.D. Teaching &/or Research Experience
Foreign Professor FP-I	PhD	12 years
Foreign Professor FP-II	PhD	08 years
Foreign Professor FP-III	PhD	05 years

HIGHER EDUCATION COMMISSION

No. SMS/2.73
Dated: 24.10.05

Foreign Faculty Hiring Program

No: FF-B12-B03
Dated: October 22, 2005

Original Contract for Appointment as a Foreign Professor

This is an agreement between Higher Education Commission (HEC), School of Mathematical Sciences GCU Lahore and Dr. Christopher George Gibson, selected as a Foreign Professor under the Foreign Faculty Hiring Program.

The terms and conditions are as follows:

1. Monthly salary package will be Rs. 239,250/- (All allowances included).

Basic Salary	House Rent	Utility Allowance	Total Pak. Rs.	Monthly Income Tax
165,000/-	66,000/-	8,250/-	239,250/-	11,222/- (approx)

2. This offer is initially for-two years and is extendable for multiple of years subject to the satisfactory performance as per mutually agreed terms & conditions between HEC, the host institution and the Foreign Professor.
3. You are entitled for one round trip air-ticket of PIA (up to Rs.100,000/-) for the economy class with the shortest route. If PIA does not operate on your present route then other airline may be used. The ticket will be purchased by you and will be reimbursed after joining the host institution on submission of original ticket.
4. The first two months, after joining the host institution, will be considered as probationary period during which HEC will reserve the right to terminate the contract on a one month notice subject to un-satisfactory performance / conduct report from the host institution.
5. In case if Foreign Professor is not satisfied with environment and research facilities of Host Institution, Foreign Professor could request to HEC for transfer to another R&D Institution provided that position is available at the Institution.
6. After successful completion of the probationary period, in case of non-compliance expected duties and desired performance level, the contract will be liable to be cancelled on two month's notice based on progress report submitted by Host Institution.
7. Your host institution is **School of Mathematical Sciences GCU Lahore**. Contact person at the host institution is **Dr. A. D. R. Chaudhry**. All logistical matters would be taken care of by contact person.

2	Research Load	To carry out research in their area of expertise / as per requirement of the host institution.
3	Publication / Papers	At least one refereed research paper per year
4	Supervisor	Supervise the Graduate students of Masters and Doctorate level
5	Evaluation / Progress Report.	A quarterly performance report shall be sent to the HEC on a Progress Report Performa
6	Extension of Contract	Extension of Contract will be initiated by host Institution based on further requirement of Foreign Professor and consent will be taken by Foreign Professor
7	Leave entitlement	
	Annual	4 Weeks / Year
	Casual / Medical	15 Days

8	Other perks / facilities	Pick & drop may be provided through central transport system of host institution, if deemed necessary / availability of transport. Institution may provide residential accomodation if the resources permit.
9	Assignment to R & D work / consultancy on projects in other locations/	TA / DA admissible as per parent institution's rules
10	Utilization as temporary visiting faculty to other organizations / institutions	On mutual / exchange program (of parent institution and / or host institution)
11	Right of private practice	Subject to approval of the host institution
12	Project / R & D	To acquire projects from outside – agencies (local / abroad) profit sharing as per host institution approved formula
13	Status / seniority of Foreign Professor	As per HEC policy
14	Non-performance of specific duty	Monetary penalty (to the extent of partial / full day salary) Penalty for habitual absence without leave

8 SMS ACCOUNT RECEIVING HEC FUNDS

School of Mathematical Sciences

GC University Lahore.

No: SMS **624**

Dated: January 17th 2004.

To,
Dr Sohail Naqvi,
Member HRD & SP,
Higher Education Commission,
Islamabad.

Subject: SALARY OF FOREIGN FACULTY.

Dear Sir,

I am Pleased to inform you that School of Mathematical Sciences has opened an account as desired by the HEC for the transfer of salaries of foreign faculty. The details of account are as follows:

ACCOUNT NO:	3063-52
TYPE OF ACCOUNT:	CURRENT ACCOUNT
TITLE OF ACCOUNT:	HEC FOREIGN FACULTY HIRING PROGRAMME
NAME OF BANK:	HABIB BANK LIMITED
BANK BRANCH:	NEW MUSLIM TOWN LAHORE.

The said account is opened and operated by the following officials jointly.

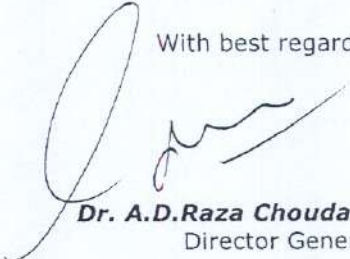

Dr. A.D.Raza Choudary
Project Director HEC Programme / Director General,
School of Mathematical Sciences,
Government College University Lahore.

Ejaz Hussain Malik
Finance and Administration Officer,
School of Mathematical Sciences,
Government College University Lahore.

It is desired that subjected salaries may be credited to the above mentioned account number for the immediate disbursement to the foreign faculty. I really appreciate the Foreign Faculty Hiring Programme of HEC. Please feel free to contact me if you need any further information.

Thanking you for your support and for your help.

With best regards.

Dr. A.D.Raza Choudary
Director General

9 COMMITTEE NOTIFICATION

Abdus Salam School of Mathematical Sciences

Dated: March 13, 2019.

NOTIFICATION

No: ASSMS/2018-19/668 The Director General is pleased to constitute the Scrutiny Committee of the record regarding the hiring of Foreign Professors under the HEC Foreign Faculty Program from 2003 to 2013 of Abdus Salam School of Mathematical Sciences (ASSMS) with immediate effect comprising the following:

- | | | |
|------|---|----------|
| i) | Dr. Amer Iqbal
Professor, ASSMS
GC University, Lahore | Convener |
| ii) | Dr. Fiazuddin Zaman
Visiting Professor, ASSMS
GC University, Lahore | Member |
| iii) | Muhammad Imran Khan
Finance & Administrative Officer, ASSMS
GC University, Lahore | Member |

13/3/19
Muhammad Imran Khan
Finance & Administrative Officer

Copy is forwarded to:

To: "Alla.Choudary@cwu.edu" <Alla.Choudary@cwu.edu>, choudary@cwu.edu

Cc: amer@alum.mit.edu, Fiazuddin Zaman <zamanfiaz@gmail.com>, "Prof.Dr. G. Murtaza" <dg@sms.edu.pk>

Dear Dr. Choudary,

I am writing to you on behalf of the Abdus Salam School of Mathematical Sciences, Government College University, Lahore, Pakistan. As you may know, the Higher Education Commission of the Government of Pakistan had started the Foreign Faculty Hiring Program in 2003 and a number of faculty members from abroad were hired full time under this program by the Abdus Salam School of Mathematical Sciences.

A committee has been formed by the Director-General to verify the record related to the payment of salaries to the foreign faculty hired under the **HEC Foreign Faculty Program**. According to the SMS record approximately Rs. 660 Million were received from HEC for this program to pay salaries and airfare to the foreign faculty. The SMS record indicates that regular monthly payments were made to these foreign faculty for years (7 years in some cases).

Many of the foreign faculty we contacted have informed us that they were present at SMS only for a few months and in some cases for a few weeks and that they did not receive the monthly salary as given in the SMS record. The SMS record, on the other hand, shows that their salaries were being processed on a monthly basis throughout the year for many years in most cases. Also at the time these foreign faculty were being paid regular salaries and shown to be present at SMS, invitation letters were being written inviting them to SMS for a few weeks in most cases. In almost all cases, these foreign faculty were employed at foreign universities while their salaries were being processed by SMS. This can be seen from their publication record. We would like to get your comments on this issue since you were the Director-General of SMS during this period (2003-2013) and directly responsible for the supervision of foreign faculty and the transfer of salaries.

All members of the committee formed for the purpose of record verification and the Director General of the school are copied on this email.

Regards,

Muhammad Imran Khan

Dear Dr. Alexander G. Alenitsyn,

Please see the attached files for offer made to you by HEC for the position of Foreign Professor under Higher Education Commission. Your Host Institution is **School of Mathematical Sciences, GCU, Lahore**.

If terms and conditions are acceptable, please send your acceptance via e-mail.

Feel free to contact us at 92-51-9040519 for further queries.

No: FF-B10-B05

Dated: June 22, 2005

Subject: **Offer letter for Appointment as a Foreign Professor**

Dear Dr. Alexander G. Alenitsyn,

I am pleased to inform you that Higher Education Commission (HEC) has selected you as Foreign Professor under the Foreign Faculty Hiring Program as per following Terms & Conditions:

1. Monthly salary package will be **Rs. 224,750/-** (All allowances included).

Basic Salary	House Rent	Utility Allowance	Total Pak. Rs.	Monthly Income Tax
155,000/-	62,000/-	7,750/-	224,750/-	20,781/-(approx)

2. This offer is initially for two year and is extendable for multiple of years subject to the satisfactory performance as per mutually agreed terms & conditions between HEC, the host institution and the Foreign Professor.
3. You are entitled for one round trip air-ticket of PIA (up to Rs.100,000/-) for the economy class with the shortest route. If PIA does not operate on your present route then other airline may be used. The ticket will be purchased by you and will be reimbursed after joining the host institution.
4. The first three months, after joining the host institution, will be considered as probationary period during which HEC will reserve the right to terminate the contract on a one month notice subject to un-satisfactory performance / conduct report from the host institution.
5. In case if Foreign Professor is not satisfied with environment and research facilities of Host Institution, Foreign Professor could request to HEC for transfer to another R&D Institution provided that position is available at the Institution.
6. After successful completion of the probationary period, in case of non-compliance of expected duties and desired performance level, the contract will be liable to be cancelled on two month's notice based on progress report submitted by Host Institution.

If above mentioned terms and conditions are acceptable to you then kindly send your acceptance through email.

14 GRANT FROM DR. ATTA-UR-REHMAN (SAMPLE LETTERS)

School of Mathematical Sciences

GC University Lahore.

Dear Professor Dr. Atta-Ur-Rehman,

No: SMS/2748
Date: 28.10.2005.

I appreciate your commitment in supporting the research in Mathematics. I am sending you a research project in *GEOMETRY OF ROBOTICS* and we are confident about the success of this project.

This money will be spent in buying books, involving Pakistani Ph.D students and post doctoral fellows in research, national travels for giving seminars at different Universities and Institutions in Pakistan, international travels to participate in international mathematics events, inviting national and international mathematics scholars and other research related expenses at the School of Mathematical Sciences, Lahore.

With best regards,

Sincerely yours,

C. G. Gibson, 71

Christopher George Gibson

School of Mathematical Sciences

GC University Lahore.

NO: SMS/1425

Dear Professor Dr. Atta-Ur-Rehman,

Thank you for your letter dated June 14, 2004. I appreciate your grant of One Million Pak Rupees to meet my immediate research needs. This shows your commitment in supporting the scientific research. On my end, I am sending you a serious research project, which is prepared in collaboration with my old research partner Prof. A.D.R. Choudary. We are confident about the success of this project and results of this research will be published in one of most prestigious international journals in the field of mathematics.

This money will be spent in buying books, involving Pakistani Ph.D students and post doctoral fellows in research, national travels for giving seminars at different Universities and Institutions in Pakistan, international travels to participate in international mathematics events and other research related expenses at the School of Mathematical Sciences, Lahore.

With best regards,

19

Sincerely yours

Alexander Dimca

School of Mathematical Sciences

GC University Lahore.

NA SMS - 3102
Date: 14-03-06

Dear Professor Dr. Atta-Ur-Rehman,

I appreciate your grant of One Million Pak Rupees to meet my immediate research needs. This shows your commitment in supporting the research in Mathematics.

I am sending you a research project, FINDING THE RAMSEY NUMBERS AND EDGE-MAGIC TOTAL LABELING ON PARTICULAR GRAPHS. The objectives of this research project are:

- Producing fundamental cutting-edge results in determining Ramsey numbers and size multipartite graph Ramsey numbers for various graph combinations.
- Finding new techniques for Graph Ramsey theory.

We are confident about the success of this project and results of this research will be published in one of most prestigious international journals in the field of Mathematics.

This money will be spent in buying books, involving Pakistani Ph.D students and post doctoral fellows in research, national travels for giving seminars at different Universities and Institutions in Pakistan, international travels to participate in international mathematics events, inviting national and international mathematics scholars and other research related expenses at the School of Mathematical Sciences, Lahore.

With best regards,

Sincerely yours

Edy Tri Baskoro

15 SMS STAFF INVOLVED WITH FINANCIAL ASPECTS OF THE HEC'S FOREIGN FACULTY HIRING PROGRAM

The list of SMS staff involved with the financial aspects of the HEC's Foreign Faculty Program is given below. This list has been provided by the SMS office.

List of Staff Involved in Financial Matters Foreign Faculty Hiring Program of HEC From 2004 to June 30, 2013

Sr. No.	Name	Designation	Duration
01	Prof. Dr. A.D. Raza Choudary	Director General	2004 to June 30, 2013
02	Ejaz Hussain Malik	Finance & Admin. Officer, Director Admin & Finance	2004 to June 30, 2013
03	Awais Naeem	Junior Clerk, Computer Operator, Assistant Admin Officer	2004 to June 2004 July 2004 to March 2008 April 2008 to August 2014
04	Sh. Muhammad Yousuf	Personnel Assistant Asstt. Accounts Officer Accounts Officer	July 2004 to May 2005 June 2005 to March 2006 April 2006 to Mar 2011
05	M. Shehzad Arif	Junior Clerk, Personnel Assistant	Jan 2006 Oct 2006 to Dec 2006 Nov 2007 to Sept 2008
06	Zahid Iqbal	Audit & Accounts Asst.	Jan 2006 to Sept. 2006
07	Ghulam Fareed	Audit & Accounts Asst.	Dec 2006 to Oct 2007
08	Abdul Khaliq	Junior Clerk	Aug 2007 to Oct 2007
09	Ahmed Fayyaz	Audit & Accounts Asst.	Oct 2008 to Jan 2009
10	Baqar Ali Shah	Computer Operator, Audit & Accounts Asst.	Feb 2009 to June 2011 July 2011 to June 30, 2013
11	Syed Numan Jaffery	Computer Programmer	Dec 2011 to May 2012
12	Ali Raza	Junior Clerk	Jan 2013 to June 30, 2013

Committee's Comments: Awais Naeem was the key person after Prof. ADR Choudary and Ejaz Malik involved in the financial matters of the HEC Foreign Faculty Program. The email given below indicates that he was also communicating with HEC regarding the funds for the HEC Foreign Faculty Program.

Alexander G. Alenitsyn

Abdus Salam School of Mathematical Sciences

GC University Lahore

GCU

No: ASSMS/2009-10/430

Date: December 2, 2009

Dear Prof. Dr. Alexander G. Alenitsyn,

On behalf of the Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore, it is with pleasure that I invite you for a period of two months. I will appreciate if you can come any time during the period January 5 – March 4, 2010. During your stay, you will deliver a series of lectures on advanced topics in Numerical Analysis and also collaborate in research projects with the Ph.D students.

All your travel and living expenses will be covered by the ASSMS, Lahore. I am looking forward to your positive reply and to our meeting in Lahore.

With best regards,

Dr. A.D.R. Choudary
Director General

Abdus Salam School of Mathematical Sciences

GC University Lahore

His Excellency
The Ambassador of Pakistan
Embassy of Pakistan,
Berlin, Germany

Dear Ambassador,

Assalam o Alaikum,

The Abdus Salam School of Mathematical Sciences, GC University, Lahore is pleased to invite Dr. Alexander G. Alenitsyn for a period of 2 months for delivering a series of lectures for our Ph.D scholars and other researchers from Pakistan. The School was established in 2003 by the Punjab Government under the aegis of Government College University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Dr. Alexander G. Alenitsyn is a world-renowned scientist in the field of mathematics and we feel honored that he has agreed to come to Lahore for collaborating with us to achieve the objectives of the School.

With this letter, I am including an invitation letter for Dr. Alexander G. Alenitsyn. He is a Russian citizen and a permanent resident of Germany. I request you to grant Dr. Alexander G. Alenitsyn a Visa for Pakistan. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.**

Sincerely yours,

Dr. A.D.R. Choudary

Dear Professor Martin Bača,

On behalf of the Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore, it is with pleasure that I invite you for a period of 6-8 weeks. You can choose any convenient time between April 15 – July 15, 2012. During your stay, you will deliver a series of seminars on advanced topics in Graph Theory and Combinatorics and also collaborate in research projects with the Ph.D students and Pakistani faculty.

All your travel and living expenses will be covered by the ASSMS, Lahore. I am looking forward to your positive reply and to our meeting in Lahore.

With best regards,

Dr. A. D. R. Choudary
Director General

Dear Professor Johann Davidov,

On behalf of the Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore, it is with pleasure that I invite you for a period of six months. Three months in first semester starting from October 2011 and three months in second semester starting from February 2012. During your stay, you will deliver a series of lectures on advanced topics in Smooth Manifolds and also collaborate in research projects with the Ph.D students and local faculty.

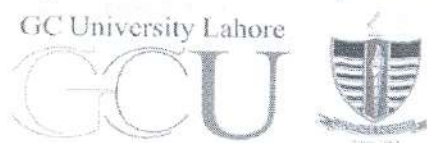

All your travel and living expenses will be covered by the ASSMS, Lahore. I am looking forward to your positive reply and to our meeting in Lahore.

With best regards,

Dr. A. D. R. Choudary
Director General

His Excellency
Ambassador of Pakistan,
Embassy of Pakistan,
Paris, France,

Dear Ambassador,

Assalam o Alaikum,

Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore is pleased to invite Professor Dr. Alexandru Dimca, from University of Nice, France, to deliver a series of lectures for Pakistani Ph.D students and young local faculty. The School was established in 2003 by the Punjab Government under the aegis of GC University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Dr. Alexandru Dimca is a world-famous scientist and we feel honored that he has agreed to come to Pakistan to help us achieve the objectives of the School. The research of a large number of Pakistani Ph.D students depend upon his presence in Pakistan. He is already helping us in supervising the Ph.D students and collaboration in research with our local faculty.

With this letter, I am including a WORK VISA approval from Ministry of Interior, Government of Pakistan for Professor Dr. Alexandru Dimca. I request you to grant Dr. Dimca a multiple entry work visa for one year. His wife Mrs. Gabriela Dimca is coming to the Embassy of Pakistan on June 3 with the passport of Professor Alexander Dimca. The passport number is 04FF19894. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this public institution of research and higher education.**

Sincerely yours,

Dr. A.D.R. Choudary
Director General

السلام عليكم

The Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore was established in 2003 by the Punjab Government under the aegis of GC University Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics. Dr. Juergen Herzog is hired as Foreign Professor under Higher Education Commission (HEC)'s Foreign Faculty Hiring Program. His visa is valid till 16.12.2011 and the duration of stay is 90 days. He came to ASSMS on 26.11. 2011. Professor Herzog needs to go home for some time and then he will return back to Lahore. So, I will appreciate very much if you can extend Dr. Juergen Herzog's multiple entry Business visa till 31.03.2012. This will be considered a valuable contribution of yours to this Pakistani institution of research and higher education.

With best regards,

Dr. A. D. R. Choudary

Dear Professor Cristodor Ionescu,

On behalf of the Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore, it is with pleasure that I invite you for a period of 2 - 3 months. You can choose any convenient time between February - May 2010. During your stay, you will deliver a series of lectures on advanced topics in Commutative Algebra and also collaborate in research projects with the Ph.D students at the Abdus Salam School of Mathematical Sciences, Lahore and other researchers in Pakistani universities.

All your travel and accommodation expenses will be covered by the ASSMS. I am looking forward to your positive reply and to our meeting in Lahore.

With best regards,

Dr. A. D. R. Choudary

Dear Ambassador,

Assalam o Alaikum,

Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore is pleased to invite Professor Vasile Lupulescu from Constantin Brâncusi University of Targu Jiu, România, for a period of 10 weeks. Professor Vasile Lupulescu is invited to deliver a series of lectures and to collaborate in research with our Ph.D students and the local faculty in the areas of Differential Equations. The School was established in 2003 by the Punjab Government under the aegis of GC University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Prof. Vasile Lupulescu is a well-known scientist in the field of mathematics and we feel honored that he has agreed to come to Lahore for working with us to achieve the objectives of the School.

With this letter I am including an invitation letter for Prof. Vasile Lupulescu. I request you to grant Prof. Vasile Lupulescu a Visit Visa for Pakistan. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.**

Sincerely yours,

Dr. A.D.R. Choudary

Dear Professor Vasile Lupulescu,

On behalf of the Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore, it is with pleasure that I invite you for a period of 10 weeks. You may choose any convenient time between October 19 – December 31, 2010. During your stay, you will deliver a series of lectures on advanced topics in Differential Equations and also collaborate in research projects with the Ph.D students.

All your travel and living expenses will be covered by the ASSMS, Lahore. I am looking forward to your positive reply and to our meeting in Lahore.

With best regards,

Dear Ambassador,

Assalam-O- Alaikum,

The Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore invited Professor Dr. Vasile Lupulescu from Constantin Brâncusi University of Targu Jiu, România, for a scientific collaboration. On this invitation, he arrived Lahore on October 3, 2011. He had a single entry business visa for 120 days. On October 26, his father died in an accident and he had to go home for two weeks.

In order to come back to Pakistan for continuation of his scientific collaboration with Pakistani PhD students and the university faculty, he needs another visa. Therefore, I request you to grant Professor Lupulescu a Business Visa for a period of 3 months, Nov. 5, 2011 – Feb. 5, 2012. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.**

His Excellency
The Ambassador of Pakistan
Embassy of Pakistan
Sarajevo, Bosnia-Herzegovina

Dear Ambassador,

Assalam-O-Alaikum,

Abdus Salam School of Mathematical Sciences, GC University Lahore is pleased to invite Professor Dr. Josip Pečarić from Faculty of Textile Technology, University of Zagreb, Croatia to collaborate in our scientific research projects and to guide the research of Pakistani PhD students, for a period of 6 weeks. The School was established in 2003 by the Punjab Government under the aegis of GC University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Dr. Josip Pečarić is a world-renowned scientist in the field of mathematics and we feel honored that he has agreed to come to Lahore to deliver a series of lectures at our Research Seminar and to work with our Ph.D students and faculty.

With this letter, I am including an invitation letter for Dr. Josip Pečarić. He wishes his wife Ms. Ankica Pečarić to accompany him to Pakistan during his visit to ASSMS. We intend to invite Professor Pečarić several times in near future. Therefore I request you to grant a Multiple Entry Business Visa to Professor Dr. Josip Pečarić and also to his wife Ms. Ankica Pečarić for six months. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.**

Sincerely yours,

Dr. A. D. R. Choudary
Director General

Abdus Salam School of Mathematical Sciences

GC University Lahore

No: ASSMS/2011-12/634.

Date: June 1, 2012.

Professor Dr. Josip Pečarić

Department of Mathematics, Faculty of Textile Technology,
University of Zagreb, Pierottijeva 6, 10000 Zagreb, Croatia.

E-mail: josip.pecaric@YAHOO.com

Dear Professor Josip Pečarić,

On behalf of the Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore, it is with pleasure that I invite you for a period of 2 years, October 1, 2012 – September 30, 2014, for scientific collaboration in the field of Mathematical Inequalities and applications. During your stay here at ASSMS, you will guide the research of our PhD students. In the same time, you will have the opportunity to collaborate with several other professors in research projects in the field of Convex Analysis. You will also deliver a seminar series on Mathematical Inequalities and applications.

All your travel and living expenses will be paid by the ASSMS, Lahore. I am looking forward to your positive reply and to our meeting in Lahore.

With best regards,

Gerhard Pfister

Abdus Salam School of Mathematical Sciences

GC University Lahore

GCU

No: ASSMS/2009-10/ 199

Date: September 10, 2009

His Excellency
The Consul General
Consulate of Pakistan
Frankfurt, Germany

Dear Consul General,

Assalam o Alaikum,

Professor Gerhard Pfister has been collaborating with the Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore. The School was established in 2003 by the Punjab Government under the aegis of GC University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Presently Prof. Pfister has multiple entry work visa for Pakistan. He would like his wife Ms. Marlis Pfister to accompany him during his trips to Pakistan. Therefore, I request you to grant Ms. Marlis Pfister a one year multiple entry visas. On each visit she will stay in Pakistan for a duration of 4 - 6 weeks.

It is definitely Pakistan's good luck that a world-famous scientist like Prof. Pfister has been helping us in supervising the research of our Ph.D scholars and collaborating in research with other Pakistani scientists. He has been extremely helpful in raising the academic standards in Pakistan in several areas of mathematical sciences.

Your help in solving the visa problem of Prof. Pfister's wife Ms. Marlis Pfister will be a great contribution of yours to this Pakistani institution of research and advanced studies.

Sincerely yours,

Dr. A.D.R. Choudary
Director General

Dorin Popescu

Date: March 12, 2010

Professor Dr. Dorin Popescu
Faculty of Mathematics,
University of Bucharest,
Bucharest, Romania.

Dear Professor Dorin Popescu,

It is my pleasure to invite you for a period of July 15 – September 15, 2010 to the Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore. We will be happy to pay you the economy class airfare plus full board and lodging during your stay in Lahore. Here you will be working with our Ph.D students and other Professors in the field of Algebra. You will deliver an intensive course in your field of interest and supervise Ph.D students.

All your travel and living expenses will be covered by the ASSMS, Lahore. We will be happy if your wife Ms. Adriana Popescu and your son Mihail Adrian Popescu can also accompany you.

I hope you will accept this invitation and I am looking forward to seeing you and your family soon at the ASSMS, Lahore, Pakistan.

Sincerely yours,

His Excellency,
The Ambassador of Pakistan,
Embassy of Pakistan
Bucharest, Romania

Dear Ambassador,

Assalam o Alaikum,

It is my pleasure to inform you that Professor Dr. Dorin Popescu is working at the Abdus Salam School of Mathematical Sciences, GC University Lahore as foreign Professor. He already received a work visa. Professor Dorin Popescu desires his wife Adriana Popescu and his son Adrian Mihail Popescu to accompany him for the period of one month during the period July 15 – Sept.15, 2010. Therefore, I request you to grant an entry visa for one month to Dr. Dorin Popescu's wife and his son.

Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.

Dr. Dorin Popescu is a world-renowned scientist in the field of mathematics and we feel honored that he has agreed to work with our Ph.D students and the local faculty on several Research Projects here in Pakistan.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'A.D.R. Choudary', written over a light blue diagonal line.

Dear Ambassador,

Assalam-O-Alaikum!

The Abdus Salam School of Mathematical Sciences, GC University Lahore is pleased to invite Professor Dr. Oleg Reynov, Institute of Mathematics and Mechanics, St. Petersburg State University, Russia. Professor Oleg Reynov is invited for a period of three months to deliver a series of lectures and to collaborate in research with our Ph.D students and the local faculty in the areas of Analysis. The School was established in 2003 by the Punjab Government under the aegis of GC University Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Prof. Oleg Reynov is a well-known scientist in the field of mathematics and we feel honored that he has agreed to come to Lahore for working with us to achieve the objectives of the School. He is also invited to attend the 5th International Conference on Research and Education in Mathematics (ICREM5) on 22-24 October 2011 at ITB Bandung - Indonesia as an Invited Speaker.

Prof. Reinov wishes his wife Ms. Liudmila Reynova to accompany him during his visit to Pakistan. Therefore I request you to grant a Multiple Entry Visa to Dr. Oleg Reinov and his wife. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.**

His Excellency
The Ambassador of Pakistan
Embassy of Pakistan
Bucharest, Romania

Dear Ambassador,

Assalam o Alaikum,

Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore is pleased to invite Professor Dr. Constantin Varsan from Institute of Mathematics "Simion Stoilow" of the Romanian Academy, Bucharest, Romania for a period of 03 months. Professor Constantin Varsan is invited to deliver a series of lectures and to collaborate in research with our Ph.D students and the local faculty in the areas of Partial Differential Equations and Optimal Control. The School was established in 2003 by the Punjab Government under the aegis of GC University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Professor Constantin Varsan is a well-known scientist in the field of mathematics and we feel honored that he has agreed to come to Lahore for working with us to achieve the objectives of the School.

With this letter, I am including an invitation letter for Professor Constantin Varsan. I request you to grant Professor Constantin Varsan a Visa for Pakistan. Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.

Sincerely yours,

Dr. A.D.R. Choudary
Director General

Grigore Marius Vladoiu

Abdus Salam School of Mathematical Sciences

GC University Lahore.

Dated: December 13, 2012

Dr. Grigore Marius Vladoiu

Faculty of Mathematics,
University of Bucharest,
Bucharest, Romania.

Dear Dr. Grigore Marius Vladoiu,

It is with pleasure that I invite you to Abdus Salam School of Mathematical Sciences (ASSMS) for a period of 03 months. You can choose any convenient time between January 2 – April 30, 2013. During your stay, you will deliver a series of lectures on advanced topics in Algebra and to collaborate in research projects of our Ph.D students and Pakistani faculty.

ASSMS will provide you boarding, lodging and economy class air ticket. I am looking forward to your positive reply and to our meeting in Lahore.

Sincerely yours,

Dr. A. D. R. Choudary
Director General

Abdus Salam School of Mathematical Sciences

GC University Lahore.

No: ASSMS/2012-13/290.

Dated: December 13, 2012.

His Excellency,
Ambassador of Pakistan,
Embassy of Pakistan,
Bucharest, Romania.

Dear Ambassador,

Assalam-O-Alaikum,

The Abdus Salam School of Mathematical Sciences, GC University Lahore is pleased to invite Dr. Grigore Marius Vladoiu for a period of 03 months to deliver a series of lectures for our research students. The School was established in 2003 by the Punjab Government under the aegis of GC University Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Dr. Grigore Marius Vladoiu is a talented young scientist in the field of mathematics. His interaction with Pakistani Ph.D scholars will enhance their research activities in the field of Combinatorial and Computational Methods in Commutative Algebra.

I request you to grant Dr. Grigore Marius Vladoiu an Entry Visa for Pakistan. Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education in Pakistan.

Sincerely yours,

Dr. A. D. R. Choudary
Director General

The Consul General
Consulate of Pakistan
Frankfurt, Germany.

Dear Consul General,
Assalam o Alaikum,

The Abdus Salam School of Mathematical Sciences (ASSMS), GC University, Lahore is pleased to invite Dr. Tudor Zamfirescu, Professor of Mathematics at the University of Dortmund in Germany for a period of three months. Professor Tudor Zamfirescu invited to deliver a series of lectures and to collaborate in research with our Ph.D students and the local faculty in the areas of Graph Theory and Combinatorics. The School was established in 2003 by the Punjab Government under the aegis of GC University, Lahore to serve as a Centre of Excellence for Advanced Studies and Research in Mathematics.

Dr. Tudor Zamfirescu is a world-renowned scientist in the field of mathematics and we feel honored that he has agreed to come to Lahore to help us in achieving the objectives of the School.

With this letter, I am including an invitation letter of Dr. Tudor Zamfirescu. Since we invite Professor Zamfirescu quite frequently, therefore, I request you to grant Dr. Tudor Zamfirescu a one year Multiple Entry Visa for Pakistan. **Your help in expediting the visa process will be very much appreciated and considered a valuable contribution of yours to this Pakistani institution of research and higher education.**

Dear Professor Dr. Tudor Zamfirescu,

It is my pleasure to invite you for a period of 3 months (Feb. 1 – April 30, 2009) to the Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore. We will be happy to pay you the economy class airfare plus full board and lodging during your stay in Lahore. Here you will be working with our Ph.D students and other Professors in the fields of Graph Theory and Computational Geometry.

I hope you will accept this invitation and come to the ASSMS, Lahore in the first week of November 2009.

I am looking forward to hear from you very soon.

With best regards,

Dr. A. D. R. Choudary

JOINING REPORT

Certified that I, Dr. Utkir Rozikov, have this day the 21st of February 2006 assumed the charge of the post of Professor of Mathematics of School of Mathematical Sciences, GC University, Lahore under Higher Education Commission (HEC) Foreign Faculty Hiring Program offer No. FF-B17-B07.

Signature of the Professor
Assuming Charge

Forwarded a certificate declaring that the charge of the post of Professor of Mathematics of School of Mathematical Sciences, GC University, Lahore was assumed by Dr. Utkir Rozikov on the forenoon of 21st of February 2007.

Director General

Uwe Schauz

Abdus Salam School of Mathematical Sciences

GC University Lahore.

No: ASSMS/2011-12/144

Date: September 21, 2011

JOINING REPORT

Certified that I, Dr. Uwe Schauz, have this day the 17th of September 2011 assumed the charge of the post of Visiting Foreign Professor of Mathematics at Abdus Salam School of Mathematical Sciences (ASSMS), GC University Lahore under Higher Education Commission (HEC) Short-Term Foreign Faculty Hiring Program (Phase-III) offer No. HEC/HRD/SFHP/2011/. I will be collaborating with ASSMS for 4 months.

Signature of the Professor
Assuming Charge

Forwarded a certificate declaring that the charge of the post of Visiting Foreign Professor of Mathematics at Abdus Salam School of Mathematical Sciences, GC University Lahore was assumed by Dr. Uwe Schauz on the forenoon of 17th of September 2011.

Director General

Peter Schenzel

Abdus Salam School of Mathematical Sciences

GC University Lahore.

No: ASSMS/08-09/578

Date: March 7, 2009

JOINING REPORT

Certified that I, Dr. Peter Schenzel, have this day the 7th of March 2009 assumed the charge of the post of Professor of Mathematics of Abdus Salam School of Mathematical Sciences, GC University, Lahore under Higher Education Commission (HEC) Foreign Faculty Hiring Program offer No. FF-B22-B12.

Signature of the Professor
Assuming Charge

Forwarded a certificate declaring that the charge of the post of Professor of Mathematics of Abdus Salam School of Mathematical Sciences, GC University, Lahore was assumed by Dr. Peter Schenzel on the forenoon of 7th of March 2009.

Director General

Malkhaz Shashiashvili

School of Mathematical Sciences

GC University Lahore.

No: SMS/2633

Date: September 27, 2005

JOINING REPORT

Certified that I, Dr. Malkhaz Shashiashvili, have this day the 27 of September 2005 assumed the charge of the post of Professor of Mathematics of School of Mathematical Sciences, GC University, Lahore under Higher Education Commission (HEC) Foreign Faculty Hiring Program offer No. FF-B13-B02

Signature of the Professor
Assuming Charge

Forwarded a certificate declaring that the charge of the post of Professor of Mathematics of School of Mathematical Sciences, GC University, Lahore was assumed by Dr. Malkhaz Shashiashvili on the forenoon of 27 of September 2005.

Director General
